Authorizing a Regular Payroll Deduction

I understand that I am under no obligation to contribute to United Way of Greater Rochester and the Finger Lakes. If I decide to contribute to United Way by authorizing deductions from my pay to be forwarded to United Way, it is a decision I make voluntarily. I understand that the amount I authorize to be deducted will be subtracted from my pay for any pay period in 2021-2022 in which my pay is large enough to cover the deduction. If there is a pay period in which my pay is insufficient to cover the United Way deduction after all legally required deductions are made, my employer will not make a United Way deduction for that pay period. If a United Way deduction is missed for any reason, it will not be made up on a later date without my express written direction. I understand that I may revoke my United Way deduction authorization at any time by informing my employer in writing, and that my revocation will be effective within four pay periods or eight weeks, whichever is sooner.

- United Way is one of region's largest and most efficient charitable means of supporting the planning, delivery and evaluation of local human service programs. 92 cents of every contributed dollar is used to meet community needs.
